Extended Description : The program that students will actively participate consists of texts chosen from Turkish and world literature. I. The process of expository writing (choosing and limiting the topic; determining the message). Finding what to expose (methods of information retrieval: Scientific method, knowledge that depends on faith, knowledge based on authority; sources of information; the organization of a scientific book); rules of writing references and bibliographies. Methods for note-taking and summarizing. Basic logical argumentation (induction, deduction, analogy). Ways of developing and supporting ideas (definition, giving examples, comparison, expert testimony, usage of numerical data and quotations). Outlining and writing; checking the text. II. Fiction and informative texts; texts in terms of their communication style (explicit, implicit and alienating). 1. Types of fiction. Narration and components of setting (plot, story line, people, types-characters, time, place; types and features of narrators, perspective); story-novel; types of novels. Types of theatre (mimetic, reflective, epic, absurd). Poetry (Content, language and style in poetry). 2. Genres related to real life experiences (diary, correspondence, memoir, biography, autobiography, travel writing, interviews) 3. Texts that are based on ideas and information: article column, essay, criticism. Types of speech: Speaking in groups, discussions (panel, discussion, forum, dialog, debate) meetings (commission meetings, symposium, seminar). Speeches (conference, speech,	

statement) will be taught. These texts are discussed in the classroom.
